REPLAN

“Thank You”

3,400 times over

To all Co-op card users who chose Moira Replan as your favourite local cause and raised over £3,400 towards the opening of Moira’s very own

“Repair Shop Project”

We say a massive thank you

From all at Moira Replan Project - a registered charity No. 1014661

Don't forget to choose your favourite from this years list at coop.co.uk

Moira Replan has been operating from the old Council Offices at 17 Ashby Road since 1987. Over the years we have delivered training opportunities to hundreds of local people. From high tech computer training to rural skills we provided for local needs, reacting to changing circumstances - from pit closures to demands for computer literacy that earlier generations had missed out on.

Nowadays we concentrate on leisure activities that range from painting to pottery and amateur radio. The new Repair Shop will fulfil the need for somewhere local where you can get things fixed, and we will be relying on people with a wide range of skills to help us deliver this service by volunteering their time and skills.

Thanks to the coop local fund for good causes we will be opening a delayed Repair Shop early in 2021. During 2020 we have managed to survive several months of lockdown, but we are looking forwards to a brighter 2021. We wish all members of the local community a Happy Christmas and an even Happier New Year.
